

RECONSTRUCTION FINANCE CORPORATION

WASHINGTON 25, D. C.

MAY 28 1954

Honorable Allen W. Dulles  
Director  
Central Intelligence Agency  
Washington 25, D. C.

Dear Mr. Dulles:

The time is rapidly approaching when much of the work presently being carried on by the RFC will be done through services rendered by private banks. This has been made possible to a large degree by the cooperation and loyalty of the rank and file employees of the Corporation as well as its officers. A majority of the RFC employees will be separated through reduction in force prior to June 30, 1954. This reduction will take place in the Corporation's field offices as well as in Washington.

My earnest desire is to do all I can personally to assist the employees of the Corporation in obtaining future employment. I have come to know them as loyal and conscientious men and women unselfishly devoted to the public service. I hope you will advise your staff and Bureau Chiefs to give consideration to RFC employees in their recruiting plans.

Mr. William C. Fisher, Director of the Office of Personnel Management, will be available to meet with any of your designated representatives at their convenience.

Sincerely,

(Signed) K. R. Cravens
